

## IMPORTING DATA FROM EXTERNAL SOURCES

- Click Add New Content
- Select Research Output

- Do you want to import existing data?
  - Select Create Manually or Import from

- Select publications for one or more of the following
  - Web of Science
  - Scopus
  - PubMed
  - ORCID
- When selecting Web of Science and ORCID select search with ORCID of selected person
- To avoid searching all content select the year you wish to search
- Click Search

Do you want to import existing data?  Create Manually  Import from external sources

**Select author's affiliation**  
Kruger, Hendrik Gerhardus (1196) - School Of Health Sciences (Active)

Click 'Save' to save your current search settings, which will then be available in the drop down below. Your Saved Searches also run on a daily schedule, checking for new matching publications. The system will send an email to the person associated with this search, who was selected on the previous screen.

**Select saved search (optional)**

Select Saved Search Save

**Search publications for**  
Please search using surname and initials you have published under e.g. Smith J; Smith JD. To narrow down your results, add additional criteria like an institutional affiliation and/or subject matter area like "biology". Please refer to training video located here.

Web of Science™  Scopus  PubMed  ORCID

Search with ORCID ID of selected person. Searching ORCID by name may not yield results.

Kruger H in field authors Search
